Lutheran Disaster Response to US Wildfire

Multiple wildfires have broken out across Los Angeles County in California, with tens of thousands of people under evacuation orders. News is still unfolding about the full impact as firefighting efforts continue. Lutheran Disaster Response is coordinating with the Southwest California Synod, Pacifica Synod and other partners to assess the needs of people impacted by the wildfires. The group will work with them to provide for immediate needs and recovery amid the widespread destruction. Lutheran Disaster Response is committed to accompanying recovering communities for months and years to come.

Your gifts to [Lutheran Disaster Response](#) equip us to respond to communities affected by wildfires and related disasters. These gifts also empower us to respond to disasters whenever and wherever they strike. Gifts to "[U.S. Wildfires](#)" will be used in full (100%) to assist those affected by wildfires until the response is complete.

January and February Collection

Zion is Called to Go Where Jesus Leads and our Social Ministry Committee is committed to showing our congregation ways to live out that calling in our community. During January & February we will be collecting items to replenish our school's food pantries and clothes closets.

We're asking for the kind of food items that can be sent home with even the youngest kids to prepare for themselves and hygiene products and underclothes for students from K-12.

A list is available in the newsletter and in the collection area of the narthex. Thank you so much!
